Important Information about Pricing, Valuations, Estimated Annual Income and Estimated Yield

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein, some of which has been provided by pricing sources that J.P. Morgan believes to be reliable, is not guaranteed for accuracy but provided for informational purposes and is furnished for your exclusive use.

The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price. All values provided for structured yield deposits reflect the original deposit amount only. The value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset. Values for oil, gas and mineral interests are calculated annually as three (3) times the net income received into the account from producing interests during the twelve (12) months preceding the value date. Non-producing interests are reflected at a nominal value. These values do not reflect the fair market value of the interests as they do not consider, including but not limited to, reserves, well depth, drilling activity, location or commodity prices.

The values in this statement are shown in USD. If your investment currency is not USD, please be aware that the value of your return could differ positively or negatively due to exchange fluctuations from the value shown in this statement.

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are sourced from the various issuers of the securities or they are sourced from a third party valuation provider. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for informational purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

Certain assets, including but not limited to, pooled and private investments, non-publicly traded and infrequently traded securities, derivatives, partnership interests and tangible assets are generally illiquid; the value of such asset may have been provided to us by third parties who may or may not be independent of the issuer or manager. Such information is reflected as of the last date provided to us, and is not independently verified.

J.P. Morgan makes no representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated. Such values may only be indicative.

If a partial call is made with respect to an issue of securities included in your Accounts we will allocate the call by a method we deem fair and equitable.

CERTAIN DEFINED TERMS THAT MAY APPEAR IN YOUR STATEMENT

EAI: Estimated Annual Income. Actual income could be lower or higher than the estimated amount. Certain types of securities could include a return of principal or capital gains, in which case the EAI would be overstated.

EY: Estimated Yield. EY reflects only the estimated yield generated by an investment and does not reflect changes in its price, which may fluctuate. Actual yield could be lower or higher than the

For the Period 12/1/25 to 12/31/25

estimated amount. Certain types of securities could include a return of principal or capital gains, in which case the EY would be overstated.

Unpriced: If we are unable to obtain a current market value from an internal or external source for a particular security, the price column on your statement will indicate "unpriced." Although such securities may have value, please note that the value of a security indicated as "unpriced" will not be included in your overall current market value as reflected on the statement.

Please see below for additional defined terms related to assets not held at J.P. Morgan.

Offshore Deposits

Deposits of non-U.S. dollar funds will be held in accounts at JPMorgan Chase Bank, N.A. ("JPMCB") outside of the United States. Under federal law, deposits that are maintained outside of the United States, including in any JPMCB branch located outside of the United States, are not insured by Federal Deposit Insurance Corporation (FDIC) or any other agency of the U.S. Federal Government; are subject to cross-border risks; and enjoy a lesser preference, as compared to deposits held in the United States, in the event JPMCB should be liquidated, become insolvent or be placed into receivership or be subject to other proceedings for the benefit of creditors. Certain of these Foreign Accounts may be considered reportable to the Financial Crimes Enforcement Network (FinCEN) on Report of Foreign Bank and Financial Accounts (FinCEN Form 114).

JPMCB's London Branch is a participant in the UK Financial Services Compensation Scheme (the "FSCS"), and the following terms apply to the extent any of your cash deposits are held at the London Branch. The terms of the FSCS offer protection in connection with deposits to certain types of claimants in the event that they suffer a financial loss as a direct consequence of the London Branch being unable to meet any of its obligations and, subject to the FSCS rules regarding eligible deposits, you may have a right to claim compensation from the FSCS. Subject to the FSCS rules, the maximum compensation payable by the FSCS in relation to eligible deposits is as set out in the relevant information sheet, which is available online as referenced below. For the purposes of establishing such maximum compensation, all your eligible deposits at the London Branch are aggregated and the total is subject to such maximum compensation. For further information about the compensation provided by the FSCS, refer to the FSCS website at www.FSCS.org.uk. Further information is also available online at <http://www.jpmorgan.com/pages/deposit-guarantee-scheme-directive>.

IMPORTANT NOTICE REGARDING CALLABLE SECURITIES

To the extent J.P. Morgan Securities LLC (JPMS LLC) holds on behalf of any introduced customer account securities which, by their terms, may be called or redeemed prior to maturity ("callable securities") and a partial call or redemption involving such securities occurs, the following procedures will be followed: JPMS LLC will generally administer the partial call or redemption via an impartial lottery system by which it will allocate among its introduced customers the securities to be selected as called or redeemed. In the event the call or redemption is deemed to be on terms favorable to the applicable holder as determined by JPMS LLC, JPMS LLC shall not allocate the securities to any account in which it or its associated persons (or the associated persons of its introducing brokers, to the extent those accounts have been identified to JPMS LLC by the introducing broker, generally, "associated persons") have an interest until all other customers' positions in such securities have been satisfied. In the event the call or redemption is deemed to be on terms unfavorable to the applicable holder, as determined by JPMS LLC, the accounts of customers and associated persons will participate in the impartial lottery on equal terms. See https://www.jpmorgan.com/country/US/EN/disclosures/callable_securities
This information supersedes any prior or inconsistent terms relating to callable securities in your account.

Money Market Sweep Fund

Funds that are to be invested in a Money Market Sweep Fund will be held in a single consolidated JPMorgan Chase Bank, N.A. account overnight and invested in the designated Money Market Sweep Fund on the morning of the next business day. In the event of a failure of JPMorgan Chase Bank, N.A. on the day that the balances are swept from the beneficial owner's account to the single consolidated JPMorgan Chase Bank, N.A. account, the balances will be considered deposits by the Federal Deposit Insurance Corporation (FDIC) and will be insured by the FDIC under its applicable insurance rules and limits. However, if JPMorgan Chase Bank, N.A. were to fail on the next business day, when the balances are invested in the Money Market Sweep Fund, the balance will not be considered deposits by the FDIC, and the beneficial owner's swept balances will be treated in one of two ways: (i) if the failed JPMorgan Chase Bank, N.A.'s assets were transferred to an acquiring institution, the swept balances will be available to be returned back into the client's account on the business day following the failure of JPMorgan Chase Bank, N.A.; or (ii) if the failed JPMorgan Chase Bank, N.A. will be dissolved, the client will receive a check or other payment from the FDIC for the value of the client's allotted interest in the Money Market Sweep Fund in accordance with FDIC's normal procedures.

IMPORTANT ADDITIONAL INFORMATION APPLICABLE ONLY TO YOUR ASSET ACCOUNT(S) (LINKED TO JPMS)

Your Asset Account consists of a bank account that custodies assets.

You must promptly advise your J.P.Morgan team of material changes in your investment objectives or financial situation or if you wish to modify the management of your account. Unless you inform otherwise, your J.P.Morgan team will consider the information currently in its files to be complete and accurate.

Periodic reviews of mutual fund investments held in client accounts are undertaken to determine if you can access better pricing on your J.P. Morgan and third party mutual fund positions for which J.P. Morgan provides ongoing due diligence services. As a result of these reviews, we may identify share classes that have lower fees than those in which you are currently invested. Where such share classes are available, under the terms of your custody with Brokerage account(s), you have the option at any time to instruct us to convert your current positions into share classes with lower fees.

Please note: Depending on your tax residence and status, there may be tax implications associated with converting your position(s). As such, we recommend you discuss this matter with your independent professional tax adviser prior to taking any action.

Special Notice for DPP and REIT Securities: DPP or REIT securities are not listed on a national securities exchange, are generally illiquid and, even if a customer is able to sell the securities, the price received may be less than the per share estimated value provided in the account statement. Where "net investment" per share estimated value for a DPP or REIT security is presented, please note that part of your distribution includes a return of capital. Any distribution that represents a return of capital reduces the estimated per share value shown on your account statement.

For the Period 12/1/25 to 12/31/25

IMPORTANT INFORMATION ABOUT AUTOMATIC REINVESTMENT IN YOUR ACCOUNT(S)

Automatic Reinvestment transactions excluding those conducted by DTC or in open ended mutual funds are processed by J.P. Morgan Securities LLC on an agency basis.

J.P. Morgan provides you with the ability to enroll in a dividend reinvestment program to reinvest any and all dividend, capital gains and return of capital distributions (collectively for purposes of this section, "Distributions") for securities eligible for participation (for purposes of this section, "DRIP"). By participating in DRIP, all Distributions paid on eligible individual securities you have selected will automatically be reinvested into the shares of the same security. The important terms of DRIP include:

- Eligibility. Most equities, open end mutual funds, closed end funds and ETFs are eligible for participation in DRIP. Exclusions will be identified at the time you are enrolled. American Depositary Receipts are not eligible for DRIP.
- Voluntary Participation. Participation in DRIP is voluntary and you may modify or discontinue your participation at any time. You may enroll by specifying eligible securities for participation in DRIP; modify your elections; or unenroll from DRIP by contacting your J.P. Morgan team.
- Trade Execution. With the exception of open end mutual funds, reinvestment will occur through either J.P. Morgan, or, for certain eligible securities, the Depository Trust Company (DTC). For non-margin brokerage accounts, reinvestment made through J.P. Morgan or DTC will occur after the pay date of the Distribution, and in the case of J.P. Morgan be done through a series of transactions. Consequently, you should expect to receive these shares at a date later than the pay date for the Distribution. For margin accounts, reinvestment made through J.P. Morgan will occur on the pay date and reinvestment made through DTC after the pay date. There may be a difference in price depending on whether the DRIP trade is made through J.P. Morgan or DTC. DRIP trades made through DTC will post to your account when the shares are made available to J.P. Morgan by DTC and will be reflected on your statement. Irrespective of whether reinvestment is made through DTC or J.P. Morgan or in a non-margin brokerage or margin account, the number of shares you receive will be based on an average weighted price of the security and you must be enrolled in DRIP prior to the record date for the relevant security for reinvestment to be made in that security. Notwithstanding your enrollment in DRIP, there may be instances where your Distribution is a partially reinvested or not reinvested at all, for example because of low trading value in that particular security or other market conditions. If your Distribution is not fully reinvested, any portion not reinvested will be deposited in your account in cash.
- No Fees. No commissions or fees are charged for DRIP trades.
- Shares Credited. For reinvestments made through J.P. Morgan or DTC, you should expect to receive the number of whole shares that could be purchased by dividing your Distribution by the average weighted price of the security and the remaining Distribution will be deposited in your account in cash. For open end mutual funds, participation in DRIP may give you interests in fractional shares of securities which will be credited to your account. In that case, you will receive dividend payments proportionate to your partial share holdings.
- Confirmation of Transactions. All DRIP trades will be reflected on monthly account statements. You will not receive separate immediate confirmations for DRIP trades. You may request the details of any DRIP trade by contacting J.P. Morgan. Transactions that are not part of DRIP will continue to receive confirmations contemporaneously with the trade.
- No Recommendation. The inclusion of any security in DRIP is not a recommendation by J.P. Morgan to buy, hold or sell such security. Participation in DRIP does not assure profits on your investments and does not protect against loss in declining markets.
- DRIP Changes. DRIP participants will be notified in advance if there are any material changes to DRIP though no notice will be given if there are changes to the eligibility of a particular security.

Please contact your J.P. Morgan Client Service team if you own more than 5% of a publicly traded Regulated Investment Company ("RIC"), or more than 10% of a publicly traded Real Estate Investment Trust ("REIT") in the aggregate at both J.P. Morgan and other financial institutions that hold the same publicly traded RIC or REIT on your behalf, as there may be potential U.S. tax consequences relating to your investment. If you do not contact us, J.P. Morgan will deem you to hold a minority interest of less than 5% or 10% in either the publicly traded RIC or REIT, respectively.
